

Hotel Information 2009

Reserve your room through the MS Society

For this year's BTTB, the MS Society will have a limited number of rooms available in the following hotels:

Henlopen Hotel- 511 N. Boardwalk, Rehoboth Beach, DE 19971

Quality Inn- 3100 Highway One, Rehoboth Beach, DE 19971

Sandcastle Motel- 123 Second Street and Rehoboth Avenue, Rehoboth Beach, DE 19971

To secure a room through the MS Society, cyclists need to pay \$35 per person to the MS Society prior to the event. These rooms are **only** for 4-person occupancy and are all two queen-size bed rooms. Cyclists who opt to secure a room through us, will be assigned a room in one of the hotels listed above (sorry, but we cannot take requests) with 3 other participants. Rooms will be assigned at the DelTech Registration site in Dover on Saturday, October 3rd. Rooms are assigned on a first come first serve basis. If you already have 3 other cyclists you would like to be paired with, please come together to DelTech on Saturday and wait as a group in line! If you do not pre-pay for a room there is no guarantee we will have availability at the event, so please make your arrangements through our office well in advance of ride weekend.

Make your own hotel arrangements

If you would like to make your own hotel arrangements for the event, we have put together a list of hotels that may work for you. Unfortunately many hotels in the Rehoboth Beach area require a two-night minimum stay. However, if you are willing to take a risk by not making a reservation early, some hotels will be more flexible about this requirement closer to event weekend if they are not sold out. As a general rule our shuttle service is willing to travel as far south of Rehoboth as Dewey Beach and will shuttle you to hotels further out on Rte 1. If you make separate hotel arrangements and will be in need of our luggage/shuttle services please provide your reservation information to us so we can plan accordingly.

Below is the list of Hotels we delivered luggage to in 2008 and are willing to deliver to in 2009. No guarantees on a one-night minimum reservation:
